Jimenez has an extensive adult criminal history that began at the age of 24 and includes convictions for unlicensed driver, evading police officers, obstruct / resist, contracting w/out a license, contracting license violation, use / under the influence of controlled substance, possession of controlled substance, receiving stolen property, vehicle theft, petty theft with prior, multiple grand theft property and forgery. Jimenez has served multiple state prison terms, the longest a two-year term for vehicle theft. Jimenez was released from state prison to the supervision of the Los Angeles County Probation Department on October 29, 2011. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in December 2012 after Jimenez absconded from post release community supervision (PRCS). Jimenez qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for evading police officers is defined as non-serious and non-violent under the California penal code. His prior criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
